On 08/20/2021 around 10:00 A.M I: JHonal; One Eye El-Bay; MOORISH AMERICAN NATIONAL; Federal Agency Account Holder: CORPORATE ACCOUNT OWNER, visited the above United States POSTAL SERVICE OFFICE for the purpose of retrieving any mail delivered to the p.o. Box 846: Owned by: Moorish AMERICAN NATIONAL (s) and controlled the same; whereas no unexceptionable forms of IDENTIFICATION are or were used (Exhibitor C) to open such Federal postal Account; such as Birth Certificates or Social Security Cards; On this day above written as Dates) a request for "proof of Address" was requested, whereas the clerk yelled the name "Bill" and minutes later "Bill" approached the desk to address the request and stated "WE DO NOT GIVE OUT ANY PROOF OF ADDRESS" and stated if "you have A piece of MAIL from that P.O. Box we CAN PROVIDE PROOF IN THIS MANNER"

whereof; on that day ~~10~~ piece of mail was delivered from the Child Support Enforcement Agency bearing A/NAME which is similar to or is an unacceptable form of MISIDENTIFICATION, whereas: Birth Certificate or Social Security CARD entrfringement/Defraud and frivolous conveyance of the grammar exist without any consent or contracts, or agreement between any Members, lawfully existing in UNSENSE.

Therefore, I suspected that this "Bill"; POSTMASTER at 1515 Alex Bell ROAD, Wilmington, Ohio 45177 is against 1865; for that purpose I exited the Doppelganger Postal Service and in Red Ink WROTE upon the "piece of mail" RETURN TO SENDER; NO NEGRO, COLOURED, BLACK AFRICAN AMERICAN exist at this Address and such reference is considered to be against Rights, benefits, privileges, Immunities Treaties, CONSTITUTIONS, LAWS OF THE LAND and 25 U.S.C §1911 whereas, INDIAN TRIBES have exclusive Rights to Their Indian Youth.

After writting upon the "piece of mail" and exiting the parking lot of 1515 Alex Bell ROAD, Wilmington, Ohio 45177-1865; I: Hlonali One Eye El-Bey; Traveled on Romback to Speedway and got a coffee for my paralyzed Tribal Member and Self. I: called my Member while preparing the coffee as he was "getting his program done" and we decided to wait 20-30 minutes before delivering the requested coffee which is an usual/regular request of him unto me. Hlonali One Eye El-Bey.

After purchasing the coffee and obtaining \$10.00 ten dollars in gas I then left Speedway turning Right on Locust then left on Grant Street the light at Main Street was green so I continued up Grant and across the Rail Road tracks in the private Conveyance registered to the: MORRIS AMERICAN NATIONAL Indian Tribal Government and liscence plates the same MATD: 1829 as I approach Truesdell a WILMINGTON POLICE DEPARTMENT VEHICLE was sitting at the stop sign of Truesdell and Grant Street with (2) Two officers in it: THE POLICE CRUISER which was sitting at the stop sign - not moving - as I went threw the Green light at Main Street and Grant and did not move until I passed it at the stop sign ~~at~~ Truesdell and Grant Street, Only then did the Police Cruiser turn Right onto Grant Street.

At this time and Noticing the unsafe conditions I: Honali one eye El-Bey continued to do my regular visitations to my Members whereas putting my blinker on and pulling over at a members home while my paralyzed Member continued to receive his "program" and Awarded his usual cup of coffee.

The Police Cruiser continued up Grant Street towards MLK BLVD as I approach the door to my Members home whereas I had forgotten my key to the door which is not attached to the "private Conveyance" Non Commercial key chain which remain in the ignition, and Misnamed as being "Suspicious Activity" later on.

As I turn around realizing that my member

I stated "I do not believe that to be true, do you have the WARRANT properly signed and positively identifying me: Jhonali One Eye El-Bey?"

PATROL OFFICER: SYLVESTER and NEIL REGAN had placed Black rubber gloves over their hands incriminated that they intended to use force. I stated, "I do not have any warrants and will follow you to the Court house to address this"

This Sylvester closed the space between me and Regan and stated "WE HAVE A WARRANT for (JTON)" placing cuffs on me: Jhonali One Eye El-Bey and against my free will and proper identification placed me the Natural person inside the Cruiser:

Thence: Sylvester: REGAN: and Ride Along exited the PATROL CAR and commenced to unlawfully search and seize the "private conveyance" Non Commercial Motor Vehicle. During this UNLAWFUL SEARCH, SEIZE, WARRANT: ELLIOT SYLVESTER: NEIL REGAN: RIDE ALONG commended evidence: real or personal property after removing a wallet from such property without STANDINGS of the LAW or any good cause shown for that purpose including all the facts presented
